

INVESTIGATION AND DISPUTE RESOLUTION SERVICES

Sikich has extensive resources in dispute advisory, damages calculations, fraud investigations, eDiscovery, computer forensics, data analytics, valuation, and insurance claims.

Sikich will provide sophisticated, resourceful and objective expertise to your business with our forensic accountants, auditors, certified fraud examiners, former city government inspector general, cyber security and computer forensic specialists, data analytics experts, and credentialed valuation experts.

We provide sophisticated, creative and objective expertise to clients and their outside counsel to solve forensic accounting and technology challenges in dispute advisory and investigative matters, which enables clients to navigate challenges, protect and improve their businesses in an efficient manner.

- Increasing trend of litigation and investigation plans given a strict (increasingly) regulatory environment
- Greater risk exposure and ramifications
- The choice of advisor in legal proceedings and investigations could effect the value of the business

INVESTIGATION SERVICES

The Sikich investigations team provides an invaluable set of investigative skills to help companies that conduct business in an increasingly complex technical landscape quickly find the truth and gather evidence that withstands the scrutiny of public perception and regulatory bodies. These skills protect the company and quickly quantify the impact of any wrong-doing suffered by the company. The investigative skills, obtained over decades of experience between our highly experienced team members with backgrounds in public accounting include:

- Financial investigations, such as embezzlement and accounting irregularities
- Interviewing witnesses and subjects
- Comprehensive document review
- Corruption investigations
- Forensic data analytics
- Anti-fraud advisory
- Forensic accounting
- Digital forensics

In collaboration with our highly specialized forensic technology team, we are able to effectively identify, capture and analyze evidence in a timely and cost-effective manner.

INVESTIGATION AND DISPUTE RESOLUTION SERVICES

WHY SIKICH?

Multi-disciplinary platform

Sikich has extensive resources in dispute advisory, damages calculations, fraud investigations, eDiscovery, computer forensics, data analytics, valuation, and insurance claims.

Significant technology capabilities

Sikich has deep forensic technology resources to meet client needs for projects involving information security consulting, fraud management, risk mitigation, and vulnerability detection and prevention. Our experts specialize in performing compliance audits, penetration tests, computer security assessments, computer forensic investigations, and data analytics.

Enhanced flexibility as to scale of project and fee arrangements to meet unique client needs

Sikich's entrepreneurial culture is much easier to work with compared to the global accounting and consulting firms.

Integrated and collaborative approach to service client needs

Sikich has a one-firm culture, which results in the appropriate resources being allocated to projects.

Fewer conflicts

Sikich is significantly smaller in size than other global accounting firms and Sikich has a much higher concentration of consulting business versus audit (which causes independence conflicts). In most situations, we can clear conflicts within 48 to 72 hours.

OUR CREDENTIALS

OUR TEAM HOLDS THE FOLLOWING LICENSES AND/OR CREDENTIALS:

- Certified Public Accountant (CPA)
- Certified Fraud Examiner (CFE)
- Certified in Financial Forensics (CFF)
- Chartered Financial Analyst (CFA)
- Accredited Senior Appraiser (ASA)
- Accredited in Business Valuation (ABV)
- Certified Inspector General (CIG)
- Certified Global Management Accountant (CGMA)
- PCI Forensic Investigator (PFI)
- Certified Information Systems Security Professional (CISSP)

Our experts have testified in hundreds of cases at deposition and/or trial for matters filed in in federal and state courts, including arbitration.
