

# Manufacturing & distribution

Manufacturing & Distribution (M&D) businesses have a global footprint affecting numerous industries; such a large scope needs agile and dynamic solutions.

## Turn challenges into opportunities by increasing operational efficiencies

Today's economic environment creates an opportunity for increased growth in the manufacturing and distribution industry. At Sikich, we provide the necessary responsiveness you require to meet your goals and objectives, while simultaneously delivering up-to-date advice and expert knowledge of matters affecting your industry.

One provider with experts and solutions to cover all your business needs:

- Audit services
- Accounting services
- Tax planning & services
  - Multi-state tax review
  - International tax
  - Sales and use tax
  - R&D tax credit
  - Cost segregation
- Business valuation
- Investment banking & corporate finance
- Improving supply chain solutions
- Technology consultancy services
- Cybersecurity
- Business succession planning & estate planning
- Thoroughly evaluate your options as a business owner

## From tax to supply chain, we can handle it all

We have decades of experience within the Manufacturing & Distribution industry, which allows us to understand your needs and share an extensive pool of knowledge – industry trends, updates on regulations and business performance improvements – to stay ahead of the issues facing your business.

We are committed to providing solutions that drive long-term growth. Our approach is to work closely with you to proactively improve outcomes, manage resources, and reduce costs.

## Why select Sikich?

Our team works devotedly with manufacturing and distribution businesses like yours to provide the resources required to help you focus on growing your business, while we take care of everything behind-the-scenes.
